# Wendy Thach

## ABOUT ME

A detail oriented Computer Science graduate who is passionate about merging creativity with technology. Skilled in JavaScript, Java, HTML, and UI/UX design principles.

## PROJECTS

### Dessert Showcase Mobile App

Website: <https://github.com/thachwc/cse382-main/>

- ❖ Designed and developed a mobile app for a final exam project, showcasing desserts from various countries along with their recipes.
- ❖ Created a local database to store and retrieve dessert information.
- ❖ Demonstrated proficiency in CSS, HTML, XAML, SQL, and C# throughout the development process.

### VR Across Miami (Capstone Project)

Website: <https://sites.miamioh.edu/find-an-app/>

- ❖ Collaborated with clients to design a website using WordPress to promote Miami University's VR lab.
- ❖ Designed and finalized wireframes.
- ❖ Researched over 30+ VR games and curated a selection to promote the use of VR for education.

## ORGANIZATIONS

### Code to Learn, Miami University

Secretary (2019)

- ❖ Participated in teaching young children how to code at various elementary schools

## WORK EXPERIENCE

### Nail Artist & Co-Manager

- ❖ Provided high quality and artistic nail services to over 1000+ clients, ensuring customer satisfaction.
- ❖ Managed the salon, including appointment scheduling, customer inquiries, and payment processing.
- ❖ Created Excel spreadsheets to calculate technician productivity and revenue distribution.
- ❖ Demonstrated strong communication skills and teamwork in a fast-paced salon environment.
